Name:	
<input type="checkbox"/>	Check box, and continue to questions if contact information is the same as the landowner consent form (If lessees or land managers fill this out, include new contact information)
Physical Address:	
Mailing Address:	
Town, State, Zip:	
Home Phone:	
Cell Phone:	
Email:	

Questions:				
When would you like to be contacted for treatment?	<input type="checkbox"/>	Beginning of the Season		
	<input type="checkbox"/>	Before HSCWP accesses the property for every treatment		
	<input type="checkbox"/>	I will contact HSCWP to request treatment		
	<input type="checkbox"/>	Other:		
How would you prefer to be contacted? (please circle)	<input type="checkbox"/> Cell <input type="checkbox"/> Home Phone <input type="checkbox"/> Email <input type="checkbox"/> Text Message			
Have you noticed whitetop on your property in the last few years? Estimated amount?				
Even if you have not noticed whitetop on your property, it is beneficial to sign up for the program. You have been selected to participate because it has been found in your area recently or in the past, and has the potential to be discovered there again.				
If so, where have you found it? (this helps us decide which herbicide may be needed)	<input type="checkbox"/>	Alfalfa field	<input type="checkbox"/>	In natural standing water
	<input type="checkbox"/>	Irrigated grass hay field	<input type="checkbox"/>	Under native Cottonwood trees
	<input type="checkbox"/>	Irrigation ditch	<input type="checkbox"/>	Other:
	<input type="checkbox"/>	Along the river/creek		
	<input type="checkbox"/>	Native Rangeland		
Additional Comments:				

This information will be used only to create the cooperative agreement between the landowner/manager and HSCWP. If you would prefer to talk with HSCWP staff instead of filling out the survey or if you have questions, please contact the office. Return this to the Weed and Pest Office before **March 2, 2026**.
